

NDA D - December 2011 Newsletter

Christmas Holidays

The studio will be closed for three weeks, from Friday December 16th until Sunday January 8th for the holiday season. Classes resume Monday January 9th, 2012.

Fees / Costume Deposits

The second term has begun, and all fees are now past due, along with a deposit of \$60 per recital routine your child will be participating in. Students will be made aware of their song choice and costume in the coming weeks. All students with outstanding accounts will be notified, and all accounts must be settled.

Students with unpaid fees or costume deposits will not have costumes ordered for them, and an added fee of \$50 per costume will be charged for late orders. Costume deposits are non-refundable after Jan 1st 2012.

Checks post-dated for December 1st, will be deposited on Monday, December 5th.

Students not participating in recital should tell their instructor or someone at the desk, as we will assume all students are participating unless told otherwise.

Measurement Forms

All students were given costume measurement forms. These forms must be completed and returned prior to December 15th. We have measured your child, and ask that you double check our measurements, provide us with their regular clothing size, and sign

the agreement to participate in recital. The studio orders costumes based on measurement charts provided by the manufacturer, and is not responsible for alterations needed to any costumes, other than manufacturer's defects. Costumes take 10 - 12 weeks for delivery, and will be distributed in April, once the balance owing has been figured out and paid in full.

Pajama Week

Our final special event week is Pajama Week, from Saturday December 10th to Thursday December 15th for all of our students. Older students will once again be asked to take part in student choreography, to exercise their own creativity and musicality. Our Saturday students will also participate in pajama week and other fun-filled Christmas activities on their last day of class.

Schedule Changes for Saturday December 10th:

Preschool Ballet 1 & 2 will be combined at 12:00 -12:45

Tap Jazz Combo 1 & 2 will be combined to take place at 1:00 -1:45

Ballet Exams

Ballet exams will take place on Saturday December 10th, and Sunday December 11th. All students will receive a separate schedule and instructions. Good Luck!

Inclement Weather Policy

Living in Northern Ontario means never knowing what Mother Nature might have in store for you. The studio rarely closes its doors for the weather, unless driving and road conditions pose a serious risk to our staff and students. Snow

days at school are not necessarily snow days at dance, as often times the roads are fine by the afternoon. Decisions to close the studio are based on the immediate road and driving conditions at the time the studio should be opening for business. Once the decision is made to close the studio, the information is posted to the website, and radio stations are called to announce the closure.

We attempt to contact all students expected to take class that evening by phone. Please make sure all of our phone records and contact information are up to date. If you are unsure, please contact Nancy at home. Often times the weather is fine when the studio opens, but has turned severe during the evening. Use your own discretion when deciding if it is safe enough to drive to the studio or not. Classes canceled due to inclement weather cannot be refunded, and are only rescheduled at the instructors discretion.

Happy Holidays!!
