SCHEDULES

Schedules will be available in September. We will be holding general placement and technique classes in September and October. Students will then be divided into permanent smaller classes according to both age and dance ability in November. Our competitive teams will be determined by the efforts put forth during these placement classes and those qualifying will be invited to join. Please let us know what days and time your child is available to commit to dance class prior to September so that we can do our best to accommodate you.
